FROM THE MAYOR'S CORNER

Dear Surfsiders,

There has been a persistent rumor that purports that the Town Commission has TWICE rejected attempts by Starbucks to open a store on Harding Avenue. Let me say, as an avowed coffee drinker, that Starbucks has never approached the Town of Surfside. In fact, when the appropriate vacancies have arisen in the business district, several attempts by local residents to contact the real estate people who handle the Starbucks site locations have gone unanswered. However, I was pleasantly surprised to find that a wonderful coffee and ice cream parlor has recently opened on the east side of the 9500 block of Harding Avenue. The shop has all the basics, including espresso and cappuccino. Take a walk downtown. Support your local merchants. Stop in for a cappuccino.

The Russell Partnership Group is the architectural firm that was hired to prepare a feasibility study regarding the merits of new construction versus renovation of the present Community Center structure. At a Special Commission Meeting held on August 16, the Russell Partnership Group

presented a summary of their findings to the Town Commission. They also presented the Town Commission appointed, New Construction Committee's recommendation regarding this issue. I would like to thank the New Construction Committee and the Town staff for their hard work.

Of most value to the Town

Commission are the itemized costs of the separate elements of the various alternatives, the analysis of the Community Center surveys that were returned from local property owners, as well as the residents' input during the many public hearings. No decision was made at the August 16th meeting. The

SURFSIDE HOSTS POLICE ATHLETIC/ACTIVITIES LEAGUE FIRST ANNUAL PANCAKE BREAKFAST

South Florida police personnel, government officials, members of the North Shore Kiwanis, parents and their children came out on Saturday, July 30, to enjoy the 1st Annual Pancake Breakfast to benefit the Surf-Bal-Bay Police Athletic/Activities League (PAL). This non-profit organization is dedicated to offering athletic, educational and recreational programs to area children, to prevent juvenile crime. The event, generously sponsored by Publix Supermarkets, North Shore Kiwanis, Brothers Vending and Tremont Towing, was a huge success for the recently established Surf-Bal-Bay PAL.

All proceeds will be utilized to fund the numerous PAL activities scheduled throughout the year. The Surf-Bal-Bay Police Athletic/Activities

Town of Surfside Public Budget Hearings

For the proposed 2005 – 2006 Fiscal Year Budget

Location: Town Hall, 9293 Harding Avenue, Commission Chambers, 2nd Floor

First Public Budget Hearing.....Tuesday, September 13, at 6:00 p.m.

Final Public Budget Hearing.....Wednesday, September 28, at 6:00 p.m.

SURFSIDE COMMISSION HIGHLIGHTS

1. TOWN MANAGER'S REPORT:

During the Commission Meeting held on Tuesday, August 9th, the Town Manager announced that the First Public Budget Hearing for Fiscal Year 2005-2006 will be held in Town Hall, 2nd floor Commission Chambers on Tuesday, September 13, at 6:00 p.m. and the Final Public Budget Hearing will be on Wednesday, September 28, at 6:00 p.m., in the same location.

Regarding the Community Center Project, the Town Manager announced that the New Community Center Construction Committee has narrowed down their recommendations and will be making a formal presentation to the Town Commission at a Special Meeting to be held at 7:00 p.m. on Tuesday, August 16, 2005 in the Surfside Community Center Auditorium, 9301 Collins Avenue.

The Town Manager announced that a Request for Qualifications (RFQ) for Landscape Architectural Services has been published and is posted on the Town's website. Sealed responses will be received through 3:00 p.m., on or before, September 9, 2005.

The Mayor placed the item of traffic circles on the Agenda for discussion as several residents have requested that traffic circles be placed on their street in

order to curb speeding and people cutting through the residential streets. The Mayor requested, and the Town Commission concurred, that the Town Manager should look into the placement of at least three additional traffic circles. At the direction of the Town Commission, the Town Manager will look at a previous study that outlines where additional traffic circles are needed.

Commissioner Jimenez raised the issue as to whether or not anything could be done to resolve the unwanted distribution of periodicals to Surfside property owners. After discussion, the Town Commission asked the Town Manager and the Town Attorney to review this matter.

Commissioner Jimenez also sought consensus from the Town Commission on removing the no left turn sign on Abbott and 95th Street. After discussion, the Town Manager was directed to study the issue and bring a recommendation to the Town Commission.

In other matters, the Town Commission voted on the following:

RESOLUTION APPROVING AND ADOPTING RULES AND PROCEDURES FOR COMMITTEES.

surplus. The fiscal year 2005-2006 budget is not yet final, but a preliminary review indicates that there is no need to increase the local millage. Surfsiders should be proud of our Town's continuing legacy of fiscal responsibility.

It is the hottest part of the year; enjoy our beautiful Surfside beach and, as you travel our area streets watch out for the school children.

ORDINANCE FOR FIRST READING:

3. An Ordinance of the Town of Surfside, Florida granting a special use exception to permit a canopy in the front setback of the property in accordance with section 90-177(g) of the Town of Surfside Code insofar as lots 4 - 7, block 1, Altos del Mar no. 6, a/k/a 9449 Collins Avenue, Surfside, Florida, is concerned; providing for penalty for violation of the provisions hereof; repealing all ordinances or parts of ordinances in conflict herewith; and providing an effective date. VOTE: UNANIMOUS 4-0

Second reading of this Ordinance is scheduled for the Commission Meeting on Tuesday, September 13, 2005.

The Referendum Process and the Granting of a Height Variance: A Clarification

At the Town Commission meeting held on Tuesday, August 9, the Town Attorney, Stephen Cypen, Esq. was asked to clarify who has the power to grant a height variance. He answered as follows:

A variance cannot be the subject of a referendum. It is not a legislative process. It is a quasi-judicial process, and therefore the power to grant a variance remains at the Commission level. This means the Commission can change the variance rules to allow height variances or anything else it wants, and the issue does not go to the people. The people have no say, not because of anything we did wrong, or didn't do when we could have, but because the law doesn't permit a variance to be part of the legislative process.

Residents are Reminded...

- The Town of Surfside prides itself in providing residential **side-yard** garbage pick-up, six days a week, Monday through Saturday. Therefore, it is **not necessary** for residents to place their garbage curbside.
- In the event that side-yard pick-up is not feasible, and in order to maintain a clean and attractive environment for everyone, please refrain from placing garbage receptacles at curbside until the evening prior to the scheduled collection day. Once the garbage has been picked up, please avoid storing the receptacles curbside, or at the front of the property, or in the public right-of-way.
- All **grass** cuttings and hedge trimmings, must be placed in plastic bags and securely tied before setting them out at curbside for collection. All grass cuttings must be completely removed and cleaned from all paved areas, and shall not be blown or swept into streets, sidewalks or gutters. **The use of blowers is prohibited.**
- Residents are reminded that all **tree** cuttings must be removed by the person, landscaper or contractor providing the service. **The Town is not responsible for removal of this material.**
- Industrial waste, such as, paint cans, solvents, grease, oils, and construction debris should not be commingled with ordinary garbage and trash. The Miami-Dade Department of Solid Waste Management (305) 594-1500 operates a Home Chemical Collection Center at 8831 NW 59th Street. They accept oil-based paints, household pesticides (e.g. Raid), solvents and pool chemicals. You may call Solid Waste Management directly for the Collection Center hours of operation and for further information.

Code Compliance Procedures

The build-up of printed material on Surfside residential properties can create an unsightly mess and is also an indication to potential thieves that the property is unoccupied. This leaves the residence vulnerable to break-ins. If a

resident knows they are going to be out-of-town for any period of time, it is imperative that they put a "vacation interruption" on the home delivery service of any newspapers, magazines, or periodicals they subscribe to. It is

also advisable to have a friend, neighbor or relative check the property on a regular basis to remove any unsolicited advertising, flyers, or periodicals that may have been deposited in their absence.

The Surfside Police Department invites all residents to attend a

Surfside Community Center Project Update

A Special Commission Meeting was held on Tuesday, August 16 at 7:00 p.m. in the Community Center Auditorium, regarding the Community Center Project. The Russell Partnership Group, the architectural firm commissioned by the Town to compare the merits of renovating the present community center structure, with that of

constructing a new facility, presented to the "standing-room-only" capacity crowd, a summary of the options assessed in the Community Center Feasibility Study.

The Russell Partnership Group also relayed the New Construction Committee's recommendation to the Town Commission regarding the

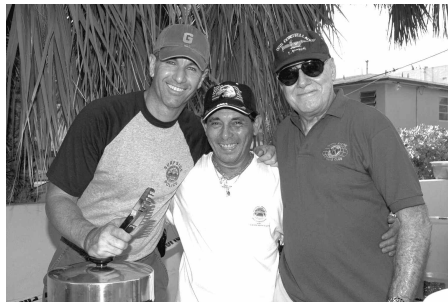

community Center Project, that being, the construction of a new, three story facility containing a Library, and 1/2 court gym. Many Surfside residents who were present at the Special Commission Meeting shared their views on this matter. At the conclusion of the meeting, the Town Commission concurred that since they had only recently received the Feasibility Study, they would require additional time for review.

Drug Awareness Day: Firefighters from Miami-Dade Fire Engine 21 speak to Surfside kids

The Surfside Police Department recently held its **11th Annual Drug Awareness Day** on Wednesday, July 27, to coincide with the Parks and Recreation Department's last day of Summer Camp. During the event, children were educated about the dangers of drug use, and were taught about alternatives that are available to them, to avoid trying or using illegal substances.

A buffet style lunch was provided and the children enjoyed a day of adventure

which included theme rides and water slides. There was an interactive childrens' session with, Master Sang's School of Tae Kwon Do and a display of marine maneuvers by a visiting Indian Creek Police Boat. The

Miami-Dade Police Department's K9 Unit was represented by Officer Hansen with his canine partner "Rocket" and Officer Almanza with his partner "Renzo", who demonstrated their crime fighting skills. Miami-Dade Station 21 Fire Chief, Steve Trammel and firefighters from Engine 21 talked to the children about fire prevention and gave them tours of the fire engine. The National Crime Prevention Council's Special Agent

"McGruff the Crime Dog" also joined our Surfside children for Drug Awareness Day. The Surfside Police Department thanks everyone who contributed to the success of this year's Drug Awareness Day events.
